

MEMORANDUM FOR: DCI

Today's Cabinet Meeting will cover three subjects: first, President's Council on Integrity and Efficiency; second, his European trip; and third, budget update. I checked with Harry Fitzwater regarding the first subject and we do not appear to have anything relevant to it. Included for the second subject are some reactive pieces done for our morning publications following the Versailles Summit. Finally, [redacted] suggested that the talking points on the NFIP done on 23 April are still valid. Legislation on the proposed cuts is still pending--the subject has yet to go to conference.
